# How to become a rider in the upcoming Milestone Games

\*\*\*\*\*

## Custom images requirements

Take yourself a picture following this technical guidelines and requirements:

1. Provide us **2 medium long shot pictures of yourself**.

Picture 1

2. In addition, up to **2 other picture** can be optionally uploaded, **wearing a baseball hat**.
3. Pay attention to lights' condition: it would be better to take picturesF in diffuse light conditions, without direct lights or sharp shadows. No flashlights are allowed except for Photo Studio pictures. If a diffuse light setting cannot be used, try to keep the light source steady.
4. Afterwards, on your chosen avatar-self, a generic rider's suit or a Polo shirt will be applied in post-production depending on which role it should play. In order to provide us the best editing conditions, please be sure that:
  - a. The Baseball hat has dark tones or solid color (no camouflage or patterns)
  - b. You are wearing a T-shirt without collar (no shirts).
  - c. No sunglasses.
  - d. Act naturally and do not forget to smile (see Picture 2).
  - e. Neutral backgrounds.
